The contributions of retired Professors and Researchers are very welcome. These colleagues, having many years of excellent work and experience, can make a significant contribution to the meeting, both through their participation in discussions and through speeches of their free choice. Please contact the organizing team by email at info.pnpp@gmail.com.

GUIDELINES FOR ABSTRACT PREPARATION AND SUBMISSION

For Abstract preparation, please use the special preformatted file. Please check the attached file or download from <http://pnpp.aua.gr>.

Abstract submission can be done until the last day of the Meeting in order to include the respective announcements in the Meeting Proceedings.

Abstracts must be submitted through email at info.pnpp@gmail.com.

GUIDELINES PER

1. Presentation of Laboratories or Research Groups. Leaders or other representatives will be able to present their group activities orally in the form of a 20-minute review. The oral presentation must be prepared as a digital presentation file*.

2. Research papers (students, young and mature researchers). All presentations will be in the form of posters that will be exhibited in a suitable space. Poster dimensions must be up to 150 × 100 cm (H × W). Earlier, each poster will have a short (three-minute) oral presentation. The oral presentation must be prepared as a digital presentation file*.

*: Digital presentation files must be in the form of [.ppt], [.pptx] (MS Powerpoint file) or [.odp], [.fodp] (LibreOffice file). Please note that for the above oral presentations, 20 minutes (category 1) and three minutes (category 2) are available. Please make sure that the presentations are properly prepared to ensure that time limits are met, especially for the 3-minute oral presentations.
